1. **About this News Letter:** This is the first news letter of the IEEE PES Conference on Innovative Smart Grid Technology Europe 2010. We plan to have a series of this news letter every second week from now on until the conference dates in October 2010. The letter is intended to bring to you the summary of the latest development of the organization of the conference.

In this issue, please note the following updates:

2. **Technical program:** We are currently working on the plenary sessions. Keynote speakers world-wide are being contacted for their speeches in the plenary sessions. Three tutorials and three technical tours have been finalized. For more details, please visit: [www.ieee-isgt-2010.eu/program/technical-program/](http://www.ieee-isgt-2010.eu/program/technical-program/)
3. **Advisory committee:** The list of the members of the international Advisory Committee of the conference has been posted on the conference website. This committee includes experts from industries, regulatory bodies and the academia. The committee will give helps in formulation of technical programs as well as in the paper review process.
4. **Paper submission:** Papers have already been received in the submission system. The deadline for the paper submission has been prolonged to June 30, 2010. For more details, please visit: [www.ieee-isgt-2010.eu/papers/submission](http://www.ieee-isgt-2010.eu/papers/submission)
5. **Registration:** Registration is already open. Please note that it is good to register early and book your flights and hotels! We help conference attendees to book their hotels in Gothenburg during the conference. For more details, please visit: [www.ieee-isgt-2010.eu/registration](http://www.ieee-isgt-2010.eu/registration)
6. **Sponsor program:** We are working to get financial supports for the conference. For more details, please visit: [www.ieee-isgt-2010.eu/sponsor-program](http://www.ieee-isgt-2010.eu/sponsor-program)

Best regards and happy spring!
